

Bowmen of the Deans – Unaccompanied Junior Member Agreement

Wherever possible junior club members should have a parent present. Junior club members are those under the age of 18 years.

Where junior club members are not accompanied by a parent the junior member's parent must sign to acknowledge their understanding of the following:

- The club does not provide a childminding service. Parents must be confident that their child is competent to understand, and willing to abide by, the rules of the club at all times.
- The nominated responsible adult will not always be the same person, it is the parents' responsibility to ensure that their child knows who to go to with any issues.
- The nominated responsible adult will not provide help with personal care, for example, children will not be escorted to the toilet, and therefore parents must ensure that their child is able and willing to take responsibility for their own personal needs.
- The junior club member must stay within the shooting area at all times, they must tell the nominated responsible adult if they need to leave the shooting area, for example, to use the toilet facilities.
- Parents must provide a phone number that they can be contacted on. Parents must be prepared to collect their child at short notice if needed.
- By signing this agreement parents agree to their child receiving first-aid if needed. In the event of a more serious accident, injury or medical emergency an ambulance will be called and parents notified.
- Parents must provide information about any relevant medical conditions. Where these may require specialist treatment (such as the use of an epi-pen for allergic reactions) parents must discuss this with the nominated responsible adult and must provide written instructions.
- Parents must record the name of the person who will be collecting their child. Parents must collect their child on time. The club cannot guarantee that a responsible adult will be able to wait with a child beyond the agreed finishing time.
- Junior members between the ages of 16 and 18 years are assumed to be competent and willing, to understand and abide by the rules of the club and to conduct themselves in a responsible manner unless their actions prove otherwise.

I have read, understood and agree to abide by the above.
